## Free Webinar

for San Joaquin Valley City and County staff (City Managers, Public Works Directors, etc)

January 28, 2016  
11am - Noon

Learn how your community can benefit from the NO-COST, State-funded Sustainable Energy Roadmap (SER). SER is available exclusively this spring 2016 to San Joaquin Valley communities. The program assists Cities and Counties with economic development through setting and pursuing actionable goals in the areas of water, energy, smart growth, transportation, land use, and related job creation.

[Click here for additional information on SER.](#)

San Joaquin Valley  
Rural Development Center

Community and  
Economic Development

### Benefits:

- Expert consulting on best practices
- Access to pilot programs benefitting disadvantaged communities
- Local workforce training opportunities
- \$5,000\* stipends available to support public agency staff time at participating jurisdictions

\*Some jurisdictions have chosen to use this stipend to hire new interns, which the SER team can help find and vet
